Steps for Submission of Data files to the Submission Website for Access of the SRPA

Vendors are advised to make use of the Excel Template for Price List (at **Annex E**) and Excel Template for Register for Transactions (at **Annex F**) attached to the softcopy of this practice notes at the website of the SRPA when preparing submissions of data files to the SRPA.

FILE SUBMISSION (EXCEL FILES)

This Annex sets out the specifications and requirements for submitting the electronic copies of price lists and registers of transactions in respect of a development or a phase of development in Microsoft Excel format onto the SRPE for internal reference by the Sales of First-hand Residential Properties Authority. The Excel files submitted will not be released to the public.

Specifications for Excel Files

For Excel files to be submitted, vendors should ensure that these files are virus-free and not protected by password. The file size of each of the file to be submitted should be less than 40 mega-bytes.

Vendors should submit all files with filenames written in alphanumeric characters (i.e. using only letters of the western alphabet and numbers). Only the following three special characters are allowed between the alphanumeric characters: hyphen, underscore and space. The leading character or the last character of the filename of any file must not be a special character. The length of filenames of files submitted should not exceed 100 characters.

File Requirements for Price Lists

Price list, whether it is a new price list or a revised price list, is to be prepared as **one** Excel file. Vendors should download the “Excel Template for Price List” in the “Help Desk” section of the Submission Website of SRPE, fill in the information in the template and save the file in Microsoft Excel 2003 or later format. Splitting up one price list into multiple files is not accepted.

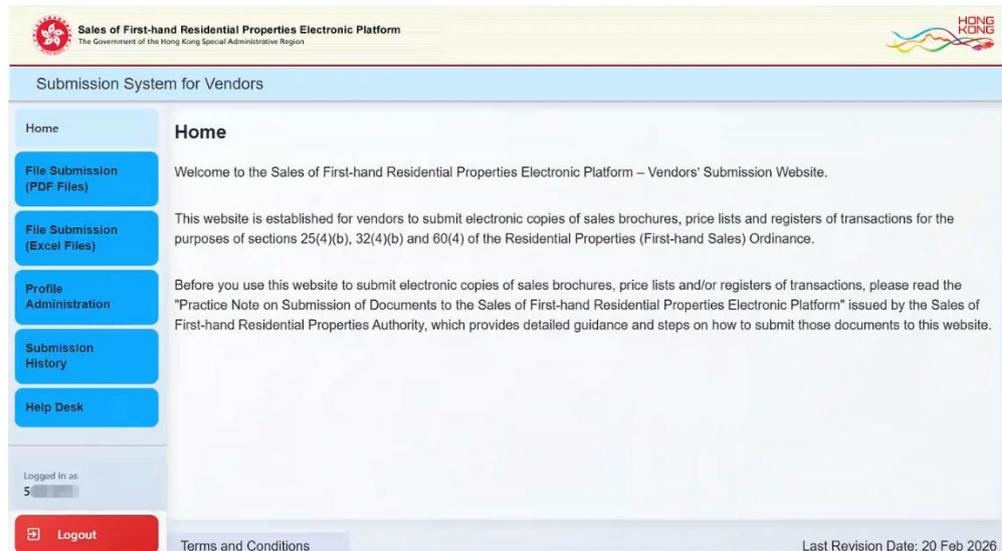

File Requirements for Registers of Transactions

The register of transactions is to be prepared as **one** Excel file. Vendors should download the “Excel Template for Register of Transactions” in the “Help Desk” section of the Submission Website of SRPE, fill in the information in the template and save the file in Microsoft Excel 2003 or later format.
